ABOUT US

Meredith & Bernie Brice are NYC newlyweds making luxury travel content, fashion content and lifestyle couples content. Meredith is a professional photographer and Bernie creates fashion content, so every shoot is styled, shot and edited by us. We love sharing our life, style and travel.

QUIET LUXURY

Shot like a magazine spread, because that's where Meredith's work runs.

Your property is the hero. No clutter, no shouting at the camera.

Real chemistry and real humor, so people watch to the end.

Easy to host. We send a shot list ahead and work around your guests and staff.
